Wanderers set the pace at home

SLOUGH's rivals in the GM Vauxhall Conference, Wycombe Wanderers took another step along the road to the Football League when they beat former FA Trophy winners Northwich Victoria 3-0 at Adams Park on Saturday.

The Rebels could be forgiven for feeling jealous of Wanderers' unbeaten record this season and gates running at an average of over 2,500 at their splendid new ground. Wanderers have conceded just a goal at home and have ten in their favour from three appearances.

On Saturday centreback Andy Kerr headed home his third in successive games while Andy Robinson found the net with a thunderflash volley and Keith Ryan added the third minutes after making his debut for the Bucks side.

ALAN Davies has signed four new players to help boost his team's flagging performance in the G.M. Vauxhall Conference.

From Wokingham Town he has signed Vernon Pratt who made 98 appearances for Sutton before moving to the Town to help them in their promotion challenge at the end of last season.

It is expected that Davies will offer him a contract with the Rebels. Three players on loan from Barnet are Phil Stacey, Dave Howells, the England semi-pro centreback, and Frank Murphy.

Murphy is on a 28 day loan.

SLOUGH Town Youth U14 team is desperate for new players.

Anyone under 14-years-old on August 1 1990 who is interested in playing in the Hayes and District Minor League should contact Terry Kelly (Slough 74574).

The team trains on Friday evenings at 6pm at Wexham Park Stadium.

SLOUGH Town Youth team face Wycombe in the F.A. Youth Cup first qualifying round at on Wednesday (19) after a massive victory in the preliminary round. The 10-1 result over Staines last week has prepared them well for this local encounter at Wexham Park.
