

Wycombe relish draw

FA Trophy draw

WYCOMBE'S home draw for the third round of the FA Trophy has been greeted positively.

Cheltenham returning to Adams Park in a fortnight's time gives Wycombe the chance to exact revenge for that Boxing Day defeat and progress to the quarter finals.

"Any home draw we would've settled for, but Cheltenham — we owe them one," said Martin O'Neill. "When I go up to Nottingham, people still talk about the Peterborough thing and I start to think: 'Did we actually win that game?' We lost."

O'Neill added another couple of good results could mean another crowd in excess of 4,000 for the Cheltenham game.

"So far we haven't kicked a ball in the Trophy and won two matches — and haven't conceded a goal."

Other ties: Colchester United v Wivenhoe Town, Hyde or Emley v Kettering, Horwich or Gretna v Redbridge Forest, Witton Albion v Merthyr or Gloucester City, Welling United v Altrincham, Kidderminster v Bath City, Northwich Victoria v Stroud.
