

Wycombe Trophy signings

WYCOMBE boss Martin O'Neill has signed two players on loan in a bid to strengthen his FA Trophy squad.

Nottingham Forest left-back Stuart Cash and Lincoln striker Keith Scott both arrived at Adams Park as the Blues prepare to meet Northwich Victoria on Saturday.

Both are available to play in the Trophy match and made their debut in a 2-1 victory over neighbours Slough.

In fact, Scott made it a debut to remember by hitting the first goal.

Said manager O'Neill, who was BBC Radio 5's summariser on Sunday at Spurs v Notts County: "I was very pleased with both of them and it was good to see big Keith score a goal. Cash also did terrifically well and showed that he has a lovely left foot."

O'Neill also picked out goalkeeper John Granville as one of Wycombe's heroes on Saturday as the Blues picked up another three GM Vauxhall Conference points.

Granville kept his side in the game at times and made a remarkable double save from Tommy Langley and Don Allen in the last minute.

Earlier, Slough had taken the lead but Scott headed them level and then Dave Carroll set up Keith Ryan for a 62nd minute winner.
