

Cup ticket allocation should reward loyalty

I FEEL so unhappy and disappointed and wondered if you could include this letter in Friday's edition of the Bucks Free Press.

I am heartbroken again. To think I have sacrificed my dear husband to every Wycombe Wanderers match, home and away, on every Saturday, Tuesday, etc (and not only for this season), only to see his look of sadness on returning from "The Idols Ground" saying "I couldn't get a ticket, they only had 700".

I will have to try to find a more acceptable hobby, to him and me, where he will be shown appreciation for his support even during the bad times!

It looks like a kick in the teeth again for loyalty. Come on The Blues, sort yourselves out. We love you really!

HERE'S a letter that answers all the "pro-Wycombe Wanderers FC planning application lobby" from someone who has to put up with the litter, vandalism and bad car parking.

1. The mountain of earth and chalk is not "little", it is an eyesore.

2. Sale of Loakes Park and no hospital funds? - very convenient.

3. Two hundred car parking spaces is no good, the area needs two thousand.

4. On match days the traffic can be atrocious. The council, Wycombe Wanderers and police should do much more and now.

5. Here's to you Wycombe Wanderers' board of directors. You have screwed up a beautiful area and scared away most wildlife from the woods. I hope you can sleep well at night.

I am sorry I ever moved here!
