Martin's on watch

WITH scalpel in hand Wycombe Wanderers Manager Martin O'Neill cut through a bandage to mark the start of Hospital Watch.

Wycombe Police have joined forces with medical staff at Wycombe General Hospital to cut down on crime at the hospital in Queen Alexandra Road.

The aim of the scheme launched by Martin on Monday is to cut down on the number of thefts from parked cars, money and belongings.

Staff at the hospital will also have new ID badges, advice on safety and car security.
