

Security tight for RUC match

TIGHT security surrounded Wycombe Wanderers' football stadium yesterday when footballers from Northern Ireland's Royal Ulster Constabulary clashed with the Thames Valley police squad.

Because of recent terrorist attacks on the mainland details of the match were kept a closely guarded secret until just before kick-off.

The match was an important one for both sides being the quarter finals of the police's internal national knock-out competition.

Money collected from the match will be donated to the RUC Widows and Orphans Fund. The RUC won 3-0.

Hampden in last eight

A SOUND away performance from John Hampden Grammar School at Worcester College enabled them to reach the quarter finals of the English Schools Football Association Under 19s Barclays Cup.

Graham Tilly converted the game's only goal from the penalty spot after 17 minutes. Captain and Hampden keeper Derek McLean made several good saves.

Now Hampden play at home to Taunton Sixth Form College, from Southampton, in next Wednesday's quarter final.
