

Blues parade in town's biggest street party

Plan your vantage points: Our map shows the route the Wycombe Wanderers' procession will take through the town centre

MOTORISTS are being warned to stay out of the town centre on Monday as thousands of Wycombe Wanderers' fans turn out to salute their football heroes.

The triumphant Blues will be hosting the biggest street party High Wycombe has ever seen when they tour the town centre in an open-top bus.

Fans are being invited along to celebrate the club's most successful season in its 109-year history after securing

promotion to the Football League.

The league-winning squad will proudly display the GM Vauxhall Conference Trophy and, if things go according to plan at Wembley on Sunday, the FA Trophy.

Police have warned that the following town centre roads will be shut off to traffic: Queen Victoria Road, High Street and Corporation Street.

Fans are advised that the Metro Line bus, which has been organised by the Bucks Free Press, will leave Davenport

Vernon garage, London Road, Wycombe Marsh, at 6.15pm.

The bus will travel along the A40, towards the town centre. It will take the bypass before heading over Abbey Way flyover and then to Frogmoor, before travelling through Church Street and the High Street.

The bus will end its journey outside Wycombe District Council offices in Queen Victoria Road, where a civic reception is to be held at around 7pm.
