

Wanderers show off strip

WYCOMBE'S new home and away strips were unveiled at a fashion show on Monday night.

Midfielder Keith Ryan and defender Jason Cousins modelled the outfits, which will be used for two years, at Adams Park's Vere Suite.

The new home strip remains quartered in the body of the shirt, but the detail has been dropped from the arms. There is piping around the collar and a handwoven crest.

The shorts also have the embroidered badge. The socks will change from light blue to navy.

The yellow away strip has black trims on the shorts and arms instead of black slashes throughout.

Adult replica home strip shirts have gone up £1 to £30.99, while the shorts have gone up £3.01 from £13.49 to £16.50. A whole adult strip will cost £54.99, but £49.99 if bought altogether.

Marketing manager Mark Austin believes Wycombe are offering good value.

"We do not want to rip our fans off. We value their support."

"There is an economic balance we try to strike," he said.
