Blues season ticket winner Brian is on the ball

ONLY five Blues fans managed to outwit our resident question setters in the Bucks Free Press and Wycombe Wanderers season ticket competition.

Almost 100 Wycombe diehards entered the competition. But, after sifting through them all, only winner Brian Murray and four other hopefuls answered all six questions correctly.

Brian, of Cressex Road, Booker, was one of the few who were not fooled by question two, which was the teaser that most often sorted out the winners and losers.

Brian answered correctly that Wycombe have won 15 trophies under Martin O'Neill.

Many other entrants erroneously plumped for ten.

Brian wins a pair of season tickets, worth £280, for the AXA Equity & Law Stand, for his trouble.

Second prize in the competition – a complete replica football kit of any chosen club – is a fairly double for the Murrays and goes to Brian's sister-in-law, Mrs R Murray, of Arundel Road, Sands.

Two of the three third prizes, each a signed Wycombe Wanderers football, will go to Mr P Eldridge, of Hughenden Avenue, High Wycombe, and Paul O'Hare, of Tilburywood Close, Downley.

Unfortunately, the fifth correct entrant failed to add his name and address to the completed question form.

The correct answers to each of the quiz questions were as follows.

1. b (the Berks and Bucks Senior Cup); 2. c (15); 3. d (Dulwich Hamlet); 4. d (Norwich City); 5. a (Ron Noades); 6. c (Twice).
