Youth team's point

GOALS by Aaron Patton and Lee Allen earned a 2-2 draw for Wycombe Wanderers at Barnet in Saturday's South East Counties youth team fixture.

Wycombe will play Luton Town in their first home game of the season at Molins Sports ground, Mill Lane, Monks Risborough, tomorrow (ko 11am).

■ Wycombe beat Cambridge United 4-2 with two goals from Brian McGorry, and one apiece from Steve McGavin and Gary Patterson in Wednesday's Capital League game which also featured the appearance of Sheffield United trialist Ross Davidson at right back.

The Cambridge fixture was excellent entertainment with the visitors playing their part in a game which had plenty of good football, some fine goals, and which was played in a good spirit.

McGorry opened the scoring in the 11th minute when he headed home a cross from Stevens who impressed at left back always looked dangerous but had one of those days when little went right for him in front of goal. Early in the second half, Cambridge shocked the home crowd with two goals in three minutes - firstly Vowden headed home from close range, then Joseph blasted past Moussaddik (57

mins). We pressed hard for an equaliser but it looked as if we were going to pay for missed chances. Then ten minutes from time, Patterson chested down a Thompson cross and hammered the ball into the roof of the net. Three minutes later, we were back in front - Clark put McGorry away and his cross was forced home by McGavin. Moussaddik saved from Kyd before McGorry volleyed home from Hemmings cross. Excellent entertainment!!

Line-Up:- Moussaddik, R.Davidson, Stevens, R.Smith, O'Mara, Patterson, McGorry, Thompson, Clark, S.McGavin and Hemmings.

Subs (not used) - M.Harkin, D.Sargent and J.Glynn.

Stand up Blues?

WYCOMBE District Council decides tonight whether to give Wycombe Wanderers the go-ahead to build a smart new stand at Adams Park.

Knowing councillors, they will um and ah and then come to no decision at all.

But surely it's simple. Wycombe Wanderers needs a decent stand - not just to accommodate all the players that get sent off during a game and need somewhere to sit down, but also to allow the club to move up in the world and compete against the bigger boys in higher divisions.

So come on you lily-livered politicians. Make a quick decision and give Wycombe the green light to build.
