

Blues are side-lined for FA Cup replay

THE excitement of the FA Cup competition returns to Adams Park tonight, unfortunately for Wycombe Wanderers fans their team will obviously be playing no part in it.

Woking and Enfield will be the two sides battling it out at the Blues' ground tonight (ko 7.30pm), in their FA Cup second round replay match.

Conference side Woking were

forced to find another venue for the clash, because of building work currently being undertaken at their ground.

■ Both Wycombe's Capital League game against Gillingham last Wednesday and Saturday's youth team match were called off. Both games are due to be re-arranged.

■ A county rugby fixture almost

became the victim of Saturday's frosty conditions, but unfortunately for the home side, Bucks, the match went ahead.

Bucks went down 42-13, to a strong Dorset and Wiltshire team, who scored seven tries to their one.

A solo run by Alex Wilcox produced Bucks only try, which was then converted by Jamie Hamilton.
