

ON YER BIKE: Wycombe Wanderers players are leading the way on a pedal push for cash to help the Wycombe Stroke Club appeal. A charity cycle ride has been organised by High Wycombe's Rotary Club. Some of Blues' stars, well-used to mountain biking their way round the Chilterns to get their fitness back after injury, are expected to take part in rides over 50-mile or 25-mile circular routes. The players pictured above are (from left) Matthew Lawrence, Mickey Bell and Steve Brown. Pedal Push 96 takes place on May 27.
