

Buses keep rolling

FOOTBALL: The special match day buses to Wycombe Wanderers ground will be run again next season, with plans to increase the service.

The scheme, a collaboration between Bucks County Council, Wycombe District Council and the football club, has been heralded as a success this season.

A county council spokesman said: "The special buses will operate next season with a new route running from the Penn area. The full details will be available soon."

The bus service has allowed supporters to travel to and from Adams Park without the hassle of car parking and is also aimed at reducing the inconvenience to local residents when Wanderers are at home.

The number of supporters that have used the bus scheme since October last year have totalled more than 2,000.

Club chairman Ivor Beeks, said: "I am very pleased with the efforts of the county and district councils in establishing this initiative. In my view, we are forging a positive relationship."
