WYCOMBE Wanderers Independent Supporters Club have clinched the Under-14s Five-A-Side Football Supporters championship after a win over Bristol Rovers.

The Wycombe team were among dozens of clubs from across England who travelled to Worcester for the event organised by the National Federation of Football Supporters Clubs.

Wycombe entered two teams in the competition, an U12s and U14s side.

The U14s dished out a 7-0 drubbing to Macclesfield in the quarter-finals to set up a tense semi-final encounter with Rushden and Diamonds.

Wycombe led with a slim one-goal margin before Rushden were awarded a controversial penalty and promptly equalised from it.

A penalty shoot-out followed and the good goalkeeping of Wycombe's Jonathan Case, who saved a penalty, took them through to the final where they met Bristol Rovers.

Despite Bristol being the reigning champions, Wycombe went two goals up in the early stages of the game thanks to Steven Pardoe and Sam Dodds.

Bristol were then kept at bay by

some astute defending from Wycombe's back row and they took the title with a 2-0 win.

The winning team of Case, Dodds, Pardoe, Daniel King, Tristan Lewis and James Pike were awarded individual winners plaques and a team trophy.

Meanwhile, the U12s reached the semi-finals in their group where they faced Rushden, the eventual winners, who beat them 3-0.
