

## LETTER

TO all the Blues fans,

Just a few lines to thank you for making me so very welcome during my brief stay at Adams Park.

I enjoyed my job immensely whilst I was there and your support was very much appreciated during my time with you.

I look forward to seeing you all pack Adams Park to the rafters

next pre-season. In the meantime, get behind the players for the remaining fixtures of the season to ensure that the Wanderers are playing Division Two football next season.

## Brucie's back for Smillie

**FIT-AGAIN** Michael Forsyth is expected to join Blues' defence against injury-hit Plymouth. He could go in at centre back with Jason Cousins shifting across to the right replacing David Kerslake.

Paul McCarthy is still out and Mo Harkin is a doubt after going down with a virus.

### **WYCOMBE v PLYMOUTH** **A preview of tomorrow's** **Division Two clash**

Plymouth are unbeaten in their last two aways but will have to play players who are not 100 per cent fit for the match.
