

Three wins will save us says Sanchez

FOOTBALL

WANDERERS boss Lawrie Sanchez cast his eye over Saturday's bad results for Wycombe and said: "It does not matter what other teams do it is all about our results."

Wanderers did not play at the weekend, because opponents Wigan were busy winning the Auto Windscreen Shield final instead, and their relegation rivals made the most of their opportunity by putting the pressure on Wanderers.

Keith Scott failed to help out his old Wanderers team-mates as his new club Reading lost 1-0 at home to Northampton in a shock result that enabled the Cobblers to open up a four point lead on Wanderers.

Lincoln boosted their chances with a 1-0 win at Luton, while Oldham followed Wycombe's lead by winning 2-1 at Wrexham.

York remain just above the relegation line after a 2-2 home draw with Stoke. The Potters equalised five minutes from time.

It was all-square also at Burnley where the struggling hosts and play-off bound Bournemouth could not manage a goal between them.

The best result of the day for Wycombe was Walsall's 2-0 victory over Macclesfield which kept them bottom.

Sanchez said: "It's a waste of time looking at other people's results, we can't rely on other teams to get us out of trouble. We've got to get out of this ourselves and I think three wins out of last five games will do it."

● Wanderers will play a pre-season friendly against Bohemians in Dublin in July and are looking for sponsors to join them on the £1,000 per head trip.
