MIXED FORTUNES ON NORWEGIAN TOUR

Due to lack of space a full report of our tour will appear in the Crystal Palace Programme. However we can report that following our six matches in the tournament we finished 17th (from 24). Although this was a very disappointing place to finish, on reflection the tour had been a success. Four draws, a win and only one defeat (by the side that went on to win the tournament) is pretty good against sides that are half-way through their season, while we were only three weeks into our pre-season. Once again the boys are bonding well and a

good team spirit is emerging. On top of that, there were a number of excellent

individual performances during the competition which all bodes well for the coming season.

Last Saturday we played the first of our pre-season friendlies against Tonbridge Angels, while further games are planned with Crystal Palace and West Ham.

CHANGES TO THE COMBINATION

Wanderers will start their third season in the Avon Insurance Combination with a home game against Swindon Town on Wednesday August 16th, 2pm k.o. There are a number of changes to the league this season, four new additions in Brentford, Cheltenham Town, Crystal Palace and Reading increase the games to be played. Ipswich Town have moved into the Premiership and their reserves will take part in that section. There are a total of 25 teams in the league and will play each other once, either home or away, making 24 league matches. We are not taking part in the league cup competition this season mainly because of the reduced size of our squad.

All home games will be played on Wednesday's with a 2pm kick off and we are hoping to see as many of you as possible for these matches.

Having finished bottom of the pile in the last two seasons I will be looking to improve our fortunes this season. The full list of fixtures appears alongside.

Wycombe Wanderers Ladies

Results over Easter confirmed Wycombe Wanderers as runners-up in the Women's Southern Region Northern Division: although the team had held second place since November other teams had games in hand and final positions could have been uncertain till the last match. This season's league statistics were played 16 matches, won 9, drew 2 and lost 5, with 47 goals for and 33 against.

In the cup competitions a first round 6-2 win over Burnham took the team to Thatcham for the second round of the League Cup. A 1-1 draw in normal time was followed by extra time, which remained goalless and Thatcham went through on penalties. A bye in the first

round of the Berks & Bucks Women's Cup saw Wycombe drawn away against run-away league leaders Chesham. The match was played at The Meadow just a couple of weeks after a closely fought 2-1 league defeat and both teams went into the game with everything to prove. Wycombe took the lead, only to see it snatched away just before half time. Chesham scored again from a corner early in the second half and could have wrapped it up after being awarded a penalty. As the shot went wide, Wycombe saw their chance and pushed for the equaliser, but Chesham's outstanding keeper Lou Joiner was giving nothing away and the game finished 2-1 to Chesham again.

Summer training is now well under way with a couple of friendlies lined up in August and the new league season kicking off in September.
