

The Back Up Teams

Unfortunately we had our re-scheduled match against Brentford called off late on Friday wing to a waterlogged pitch at Molins. The intention was to play at Molins on Saturday morning and use the game as a double header for the U19 Youth league and the Avon Insurance Combination. We had the go ahead from both divisions to play it that way, it meant we would help reduce the busy programme of matches that has befallen the club this season.

Better news came on Monday evening when we were able to play our match with Barnet at Underhill.

ANOTHER FRUSTRATING WEEKEND

Last Saturday was another frustrating day without a game for the boys and I, making it now three weeks since we played a youth fixture. Thankfully, the boys have been involved in the recent reserve games in the Avon Insurance Combination, helping to keep them match fit. The heavy rains

during the week and especially on the Friday prior to the game with Brentford, meant that the pitches at the Molins Sports Ground were waterlogged, forcing the match to be called off late on Friday afternoon. The weather has certainly played havoc with the fixtures since the merit matches began on 3rd March, with only 5 out of 10 fixtures so far being played in our division. The only game to go ahead last Saturday saw Plymouth Argyle win 1-0 at Swansea City and go to the top of the table. Weather permitting, it was to Plymouth that the boys, Terry Evans and I travelled this morning in search of our first merit division points. We are now looking to play the Brentford match on either Saturday, 7th or 28th April when we have free dates. However, our next scheduled home fixture is on Saturday, 14th April when Cardiff City are the visitors. Kick-off 11am.

As the first team are also at home to Wrexham that day why not make it a match double, your support that morning would be most appreciated.
