

SAME AGAIN

WANDERERS head for Brighton in the LDV Trophy tonight looking to dump Seagulls boss Peter Taylor out of a cup competition for the second time in eight months.

Wanderers' victory over Leicester in the FA Cup quarter-final last March marked the beginning of the end of Taylor's reign at Leicester and Wycombe are gunning for him again.

Leicester never recovered from that defeat and Taylor was sacked before walking straight into the manager's office at Brighton three

games ago.

Blues assistant boss Terry Gibson said: "I'm sure he would like to put one over us. Leicester never really recovered from losing to us and in the space of a year he's gone from caretaker England manager and doing a great job for Leicester to getting the sack."

But tonight's all-ticket second round clash at The Withdean

threatens to have the ring of a reserve game about it.

Taylor has made it clear that he plans to field a makeshift side and the Wycombe team will also have an unfamiliar feel to it.

Lawrie Sanchez made eight changes for the first round win over league leaders Brentford and a similar rash of changes is expected tonight.

Dave Carroll, Paul Emblen, Jason Cousins, Dannie Bulman and Martyn Lee will all come into the side as

Sanchez rests his first team stars.

But Stuart Roberts, who made an impressive home debut in Saturday's 1-1 draw with Swindon Town will travel alongside former Albion man Paul McCarthy and on-loan Aston Villa striker Richard Walker in the new-look squad.

Gibson said: "It might not be our first team side but we feel it is a side which can win and in many ways it could be stronger.

"The players coming in are fresh and have points to prove."
