

We can wing it all the way to Wales

WANDERERS wing squadron can fly them all the way to Cardiff for the play-offs in May, reckons full-back Chris Vinnicombe.

The Blues have scored 18 goals in ten matches since Stuart Roberts and Darren Currie have been bombing down the wings and Vinnie reckons Wanderers can wing it all the way to the Millennium Stadium with them in the side.

Wanderers' wide boys, backed up by rampaging full back Danny Senda, tore promotion rivals Brentford to shreds on Saturday as Wycombe came back from 2-0 down and 3-2 down to win 5-3 and stamp their own authority on the promotion race.

Brentford, who had only conceded nine goals on their travels all season before last Saturday's visit to Adams Park, couldn't handle the twin threat and conceded a fistful in one afternoon as Wycombe's wide

boys ran riot.

Vinnicombe said: "We got the ball wide all afternoon to Darren and Robbo and they caused them so many problems down the flanks that it could have been more than five. It could have been ten."

Even Vinnicombe got on the end of one of Currie's crosses to hammer in only his second goal in 162 matches for the club.

He netted after Bees keeper Olafur Gottskalksson could only flap one of Currie's bombs to the edge of the box and returned it with purchase to bring Wanderers level at 2-2.

He said: "I didn't have a lot of time to think about it I just chested it down, hit it and it flew into the top corner. It's been a long wait but I enjoyed that one."

Andy Rammell with two, Currie with a free kick which deflected twice before entering

the net and Dannie Bulman completed the scoring as Wycombe went nap for the second time this season.

And Vinnicombe, who won a Scottish Championship winners medal with Glasgow Rangers, reckons Wycombe can get among the prizes this season providing they keep feeding Currie and Roberts.

Saturday's victory took Blues up to sixth in the table although Cardiff's 2-0 midweek win over Brentford pushed them back down a rung.

"We're not up there by fluke, we're up there by our good work and we're there to stay," said Vinnie.

"If we continue to go forward like that and get the ball out wide we can definitely make the play-offs or grab one of the top two spots."

Blues boss Lawrie Sanchez signed his two wingers with the proceeds of last season's FA Cup run.

He splashed £200,000 buying Currie from Barnet and then forked out half that to prise 21-year-old Roberts away from Swansea.

He said: "We've introduced pace and we've introduced width. It's given us a different shape and a different feel.

"Last year we played with four midfield players who didn't want to get wide and weren't happy out there.

"Now we've got Currie, Roberts and Senda who all like to get into those areas and take the full backs on and I thought we destroyed Brentford in those areas.

"Roberts caused Brentford all sorts of problems with his pace and Currie can cross the ball without beating people.

"The quality of crossing was superb. The forwards were saying they have never seen so many crosses flying into the box. I don't think the five goals flattered us."
