

Walker is made an offer

LAWRIE Sanchez is hoping to add Richard Walker to his squad today – if the price is right.

The Blues boss had put an offer to the on-loan Aston Villa striker yesterday and, if Walker agreed, Sanchez was hoping to hammer out a deal with the Premiership side today.

Walker celebrated the end of his three month loan with Blues last Saturday by scoring in

Wycombe's 3-0 FA Cup win over Notts County.

The 24-year-old, who has scored four goals in 11 appearances during his spell at Adams Park, says he is desperate to become a Chairboy.

Sanchez told the BFP: "I've put an offer to him and it's up to him to say whether he wants it."

Villa have already told Walker he won't be offered a new contract in the summer.
