

Ted hunts the bronze

Mark Rogers

BLUES' Canadian international Mark 'Ted' Rogers will battle it out against Korea Republic for the bronze medal in the CONCACAF Gold Cup on Saturday.

Rogers, who scored an own goal as Canada went through to the semi-finals with a penalty shootout win over Martinique, was left out of the team which lost on spot-kicks to USA in Wednesday's semi-final.

Wasps buzz

GROUNDSHARE talks between Wanderers and rugby union side Wasps are at such an advanced stage that the two parties are already talking about how they could work together in the club shop and it has already been decided that Wanderers existing executive box holders would get first option on extending the deal to include Wasps' games as well.
