
John misses Blues trial for work

RYMAN League hotshot Vinnie John missed out on a trial with Wanderers because he couldn't get time off work.

The prolific Bishop Stortford striker was invited to play for the Blues in their reserve match at home to Brentford on Tuesday.

But he had to pull out because he had taken too much time off work already to take up the offer of a week's trial at third division Torquay United.

John came to the attention of Wycombe scouts after firing in 28 goals in the Ryman League Division One this season.
