Damien Spencer

STRIKERS Damien Spencer and Vinnie John have been invited back to Adams Park in pre-season after turning out for the Blues in a reserve match.

Spencer, 20, who has been released by Bristol City, smashed a hat-trick in the 4-1 win over Millwall a fortnight ago and Sanchez wants to see if that was a flash in the pan.

He has also invited John, who played in the same match, to come back again in pre-season.

John, 26, has notched 67 Ryman League goals over the past two seasons and Sanchez wants to see them both again before making his move.
