

Things are looking up for Blues

TWO goal Darren Currie believes Saturday's 2-1 win over Plymouth could be the turning point for Wycombe.

The midfield maestro, dropped against Brentford the week before, came back with a vengeance against the Pilgrims, with strikes either side of half time to end a run of four straight league defeats for the Chairboys.

Currie said: "Hopefully, this can be a turning point for our season."

The match was watched in front of a bumper crowd of more than 7,000, including former Labour leader Michael Foot, who missed the peace march in London in order to watch his beloved Plymouth lose their fourth match of the season.

Blues are at Sheffield United tonight in the second round of the Worthington Cup, looking to embark on a winning run.
