

Talia is offered extension

Frank Talia

WANDERERS have offered Aussie keeper Frank Talia another month's contract at Adams Park when his current deal expires on December 10.

The Blues want him to stay even though he lost his place to three times Player of the Year Martin Taylor last Saturday.

Manager Lawrie Sanchez said: "We want Frank to stay."

Talia has yet to sign the new deal and was disappointed to be back in the reserves this week.

He said: "I feel a bit hard done by. Everyone wants to play first team football in front of a crowd but that's not possible sometimes and sometimes you've got to grin and bear it in the reserves and hope for your chance again in the first team."
