

Blues' win breaks records

SATURDAY'S 5-0 win by Wycombe against Northampton was not only a dream come true for Stuart Roberts but a dream for the record compilers.

The victory was Wanderers' biggest ever away win in their ten-year League history and also equalled their record League win anywhere.

It was the first 5-0 win since Blues put Burnley to the sword in April, 1997, when Dave Carroll weighed in with two penalties.

Wycombe's win was also their first victory against Northampton away.

Roberts' hat-trick was the first treble by a Wycombe player in the league since Sean Devine in February 2000 – nearly three years ago.

Only three players had scored hat-tricks previously in the league – Devine (two), Miguel Desouza and Mark Stallard – with Roberts becoming the fourth player.

And the game also brought echoes of Wycombe's record for the quickest two goals in the league.

The Blues scored with the last kick of the first half against Peterborough and then scored after seven seconds of the second half to score twice without a Posh player touching the ball.

This time, Michael Simpson scored in first half injury time and then Roberts bagged his first goal after just 17 seconds in the second half.
