

Long search for Creaser pays off

WYCOMBE WANDERERS

FORMER Wycombe Wanderers captain Glyn Creaser has confirmed he will be attending the club's 10th Anniversary Dinner at Adams Park on Friday, May 23.

The search for the elusive skipper lasted almost a month, before he was finally tracked down.

His attendance brings the total to 20 players, with just Duncan Horton and Geoff Cooper unable to make it.

Joining them will be guest speaker Martin O'Neill, back in the company of his former Championship winning team.

■ As Wycombe Wanderers celebrate 10 years in the Football League next season, the club is planning a very different end-of-season video.

In addition to the usual crop of goals from all the big matches there will also be a special look back at the past decade.

There are also plans to include footage from the 10th Anniversary Dinner.

Work is currently ongoing to enable the club to launch the video in the middle of June.

Commemorative shirts, sweatshirts, T-shirts, pole shirts, ties, mugs and badges are already available from Wanderers In Town (9am-5.30pm, Monday to Saturday) and from the club shop at Adams Park.

■ A number of former Wanderers stars have been gaining plaudits with other clubs this year.

Ryman Champions Aldershot Town have included Jason Cousins and Lee Holsgrove in their side this season.

Tamworth have also gained promotion to the Conference with the help of Tony Hemmings and Brian McGorry.

The Staffordshire can still collect the double, if they beat Burscough in the FA Trophy Final at Villa Park on Sunday.

At Yeovil, Steve Thompson has been doing a great job coaching the side, who have finally won a place in the Football League.

Also in a coaching capacity, Matt Crossley has helped Glyn Cockerill ensure Woking of Conference football at Kingsmeadow next season, by avoiding the drop.

■ Wycombe's sports therapist for the last 17 years Dave Jones is being honoured with a testimonial match against Tottenham on Saturday, July 19.

A Wanderers XI will take on Spurs at Adams Park, kick-off 7.45pm.

Tickets cost £12 for adults, £10 for concessions and £8 for children.

In the Greene King Stand and in the Hypnos Family Enclosure, ticket prices will be £10, £7 and £4 respectively.

■ Former Wycombe Wanderers striker Guy Whittingham has landed the managers job at AFC Newbury.

■ The fixture list for 2003-04 season will be released on Thursday, June 19.

■ Wycombe Wanderers have confirmed two pre-season friendlies, beginning with a visit from FA Cup semi-finalists and Division 1 neighbours Watford, on Saturday, August 2, kick-off 3pm.

The Blues then make the short trip to Buckingham Road on August 26, when they take on FA Trophy semi-finalists Aylesbury United, kick-off 3pm.
