

Boss silent over Bash

WANDERERS boss Lawrie Sanchez has refused to rule out a move for Oxford United striker Steve Basham after being linked with the former Southampton and Preston hitman.

Basham first sprang to Sanchez's attention when he scored two goals for Preston to inflict a first defeat on Sanchez as Wanderers boss in February 1999.

Sanchez said: "I've got a list of players I am interested in but it is a waste of time saying who is on it until I know what money I have got.

"I am hoping there might be one or two new players. The board are trying very hard to find me some money."
