

We're going to attack - Sanchez

WYCOMBE Wanderers have warned Blackpool we're coming to get you ahead of tomorrow's second division clash at Bloomfield Road.

Chairboys boss Lawrie Sanchez has promised Blues' travelling fans that Wanderers will be going all-out to make it a hat-trick of wins by going for the jugular.

Wanderers have already racked up two home wins in the first week of the season with an opening-day success over Stockport and a 2-0 Carling Cup victory over first division Wimbledon on Tuesday.

And they have done it by taking the initiative with two wingers bombing forward and providing the crosses.

And Sanchez says it will be just the same on their travels.

He said: "We won't be changing our style. We're going to cross balls and give forwards every opportunity to score goals whether we are at home or away.

"We aren't going to go and just settle for perhaps coming away with a draw. We didn't score in half the games we played away last season. Holding on and just getting one point isn't worth it.

"We will be going out to win every game this year and we will lose some games because of that. We are going to go for it this season."

Sanchez has been delighted with his side's sprint start to the season but insisted it can get even better.

He said: "Bits of our play have been very good but we can get better. We're not the finished product by a long way.

"When we start isolating the things we are doing wrong we can do better and we've still got a couple of players to come back and play."

While Wycombe are on a run of five straight victories, including pre-season

matches, Blackpool are still reeling from their heaviest ever opening-day defeat 5-0 at QPR.

But they bounced back with a 2-1 Carling Cup win at Barnsley in midweek and in midfielder Martyn Bullock have a player with a history of embarrassing Wycombe.

Sanchez said: "When he's on fire he can play like Stanley Matthews. We will be aware of him but we won't be changing our plans because we think we've got players that can give them problems."

Wanderers will be unchanged for the clash but Blackpool are expecting to give a home debut to former Stockport keeper Lee Jones.

They will also give a fitness test to striker John Murphy who is rated at 50-50 with a groin injury. If he doesn't play Mike Sheron, who signed for Blackpool in the summer, will partner two-goal midweek hero Scott Taylor.
