

Great Kingshill win regional finals

Six of the best: Great Kingshill School's U11 six-a-side team won the Kelloggs Frosties Cup Area Final. The school, representing Wycombe Wanderers, will now represent the south east region against all the other regions of the southern group. The winners of this group phase will take part in a north versus south clash at the Millennium Stadium, Cardiff later this year. Teacher and coach Jamie Harding said: "We were delighted to give the Wanderers a win. We aim to win the next round and, who knows, maybe we can go all the way to the Millennium Stadium"

Ted: I'm still a Blues player

MARK 'Ted' Rogers went on loan for another month to Conference side Stevenage insisting: 'I'm still a Blues player'.

The Canadian defender, who won four man of the match awards in his first month on loan, and scored the winner in his second game, said he went back on loan in order to stay match sharp.

He said: "It's been a good experience. I needed to play first team football again.

"It's quite a bit different but there's a good bunch of lads there and the fans have been good to me. It's nice to be down there and winning.

"There's a bit of a different atmosphere, the standard isn't as good because there's two leagues between us but it's a good experience.

"It's a good club but Wycombe are my club. I like the club but it's not the same.

"When I come back, I'll be much sharper and I'll be ready to go.

"I'm still a Wycombe player and I'm still hoping to be in the future. I'm just going back to Stevenage on loan for another month.

"I wish I could know what's going to happen in the future but I'm not going to be fearful about it. If you play with fear, that's when you don't play well."

Blues boss Tony Adams said: "I've got 24-hour recall in case anything happens to Danny Senda or a centre half.

"It's important that Mark plays games."
