

Sanchez's first win

Lawrie Sanchez

FORMER Blues boss Lawrie Sanchez celebrated his first win in charge of Northern Ireland on Wednesday when they beat Estonia 1-0.

The victory – Northern Ireland's first in 16 games – came about when David Healey scored at the end of the first half.

Sanchez said: "It was a great goal to win a game with and I think we deserved it.

"It's my first win in charge and hopefully, it is the first of many."
