

Adams praises players and asks for more of the same against Plymouth

WANDERERS

BLUES boss Tony Adams was full of praise for his players as they battled back from going a goal behind to win two successive league matches for the first time this season.

He said after the victory over Port Vale: "The lads fully deserved it. I'm really pleased for them. It's been on the cards for a few weeks now.

"They played really well apart from the first ten minutes when we were pretty much all over the place."

Blues fell behind to a Steve McPhee volley after just seven minutes but battled back to knock Vale out of the play-off positions thanks to two Darren Currie goals.

Adams said: "We always seem to have to concede a goal before we get going. After that we took the game to them and were well worth the three points.

"We're getting the results now to go with the performances.

"We've turned those draws into wins. It could have happened at any time."

Wanderers now face the toughest test of the lot with a trip to

league leaders Plymouth Argyle on Saturday.

Forty-four points separate the teams but that doesn't scare

Adams.

He said: "We'll be looking for another result. I'm a perfectionist. I want to get better and

Plenty to smile about: Tony Adams shres a joke with the fourth official but it is back to the serious stuff on Saturday when his team take on league leaders Plymouth
