

# Willo will sign on for Blues today

**Steve Williams**

**GOALKEEPER** Steve Williams is ready to put pen to paper and commit himself to Wycombe Wanderers.

The glovesman will sign a one year contract today after accepting Blues' new improved offer.

The 21-year-old youth team graduate, who made 23 first team appearances last term, rejected the club's initial pay deal but further talks have brought a happy conclusion.

Williams said: "It is slightly improved and I'm happy."

His signature means that manager Tony Adams now has 11 players in his squad, although two of them are goalkeepers.

Adams was talking to another transfer target this week.
