

TABLE TOPPERS

Senda's stunner sends Blues to the top of the league table

WYCOMBE Wanderers went to the top of the table for the first time in their Football League history after coming from behind to beat Southend United on Saturday.

They hit the summit after goals from Nathan Tyson and a sensational late Danny Senda strike saw them overturn Mark Bentley's opener for the hosts to notch a 2-1 win.

It is the first time Wanderers have ever topped a table since joining the Football League, but Tony Adams isn't getting carried away by his team's sprint start to the League Two season.

He said: "It really doesn't interest me being top of the table at the moment.

"You don't get anything for being top at this time of the season. The important time to be top is at the end.

"The team have done very well, they've made a good start but there is still a hell of a long way to go.

"We're a developing side and it takes a long time to turn things around.

"I have a vision and a plan and if I had a couple of million I could get there a bit quicker."

Danny Senda, whose wonderful winner eight minutes from time capped Blues' fightback at Roots Hall and took them two points clear of the chasing pack, said: "It wasn't a good performance but we showed a lot of character and ground out the win."

He didn't realise at the time that his thunderbolt had sent Wycombe into top spot until after the match.

He said: "It's a nice feeling being top. I think we're capable of staying up there but now we've got to prove it."

They're the tops: Gus Uhlenbeek and Nathan Tyson help Danny Senda celebrate the goal which sent Wanderers top at Southend.
