

GORMAN LIFTS 'EM INTO THE TOP TEN

WANDERERS boss John Gorman banked his fourth away point of the week and then declared they can get even better.

The new gaffer saw his team follow Tuesday's 2-2 draw at play-off hopefuls Bury with a 1-0 win at Notts County on Saturday which lifted Blues back into the top ten.

Gorman said: "I'm very pleased. We've made a good start but there is still more to come from this team.

"We battered Notts in the second half and could have won by more. We did well in all departments. We looked like we had goals in us and we were solid at the back."

The victory made it two league matches unbeaten for Gorman since getting the hotseat and the 55-year-old Scot showed he is not afraid to

make the big decisions.

He relegated fans favourite, the former England and Celtic winger Steve Guppy, to the bench, in favour of goal-shy striker Ian Stonebridge and his bravery paid off as Stoney scored the only goal of the game towards the end of the first half.

In only a fortnight, Gorman has also managed to transform forgotten striker Craig Faulconbridge.

The former Wrexham striker was dumped on the transfer list by Tony Adams but he was Wycombe's outstanding player again at Notts for the second match running.

Now Gorman is hoping he can get the best out of his Wanderers again when Blues face Lincoln in his first home league game as manager on Saturday.
