

Wycombe manager: Carry on sparkling

WANDERERS boss John Gorman has ordered his table toppers to carry on sparkling when they entertain lowly Rushden and Diamonds tomorrow (ko 3pm).

Gorman's team hit the top after a series of dazzling displays, culminating in last Friday's 1-0 win over previous leaders Grimsby Town which took them clear of the field for the first time this season.

Now Gorman is demanding more of the same from his unbeaten side against the second-from-bottom Diamonds.

He said: "Anyone who thinks this game will be easy is in for a big shock.

against Grimsby we won't get a result.

"We need to have exactly the same attitude that we displayed against Grimsby.

"If we start thinking there are any easy games then we will be in for a big shock."

The Chairboys reached the number one spot last Friday night despite being without leading scorer Nathan Tyson and ex-England international Rob Lee.

Both trained yesterday after knee

and achilles injuries respectively and both are in contention for a return tomorrow.

They will be assessed by the club's medical staff today but Gorman has warned them they may not be able to walk straight back in.

He said: "I almost feel like saying Play it again Sam to the lads who won at Grimsby. It was a magnificent performance from everyone involved."

But the gaffer may be forced to change his winning line-up for the match which will see Wanderers set a new club record of 14 games unbeaten at the start of any season if they avoid defeat.

Midfielders Joe Burnell and Sergio

Torres are both nursing hamstring strains and the Wanderers team chief will delay naming his side until after training today.

Gorman said: "I've got some decisions to make but it is a nice problem to have. The whole club is buzzing and everyone wants to be part of it."

Wanderers could be knocked off the top of the table tonight though. Grimsby could reclaim top spot when they visit Cheltenham in a Friday fixture.

The Diamonds go into the match having taken just one point out of their last possible 12.
