Blues are four points clear at the top and seven ahead of the play-off spots

WYCOMBE stormed into a four-point lead at the top of Coca-Cola League Two with an excellent 3-0 victory over play-off contenders Rochdale on Saturday.

After their disappointing midweek draw, John Gorman's men bounced back in devastating style thanks to goals by Tommy Mooney and Charlie Griffin.

Blues are now seven points clear of the play-off zone and have clear water between

themselves and Grimsby and Leyton Orient's 1-0 home defeats.

The match was another example of Blues' intent to play exciting football, with chances at both ends as well as two red cards for Rochdale's Grant Holt and Warren Goodhind.

Gorman said: "We should have gone on to get five or six. That would have been great for our goal average.

"But it was a physical game and our discipline was fantastic. We didn't get involved and it was the same against Boston the other night. That's as pleasing as the result.

"I've got no sympathy for Rochdale today.

"They got themselves in a situation which was their own doing. I respect Grant Holt as a player, but he left his team in a no-hope situation and we should have capitalised more."

Gorman was also pleased at the way Tommy Mooney has picked up the goal-scoring baton since the departure of Nathan Tyson last month.

Mooney's ninth and tenth goals came before Charlie Griffin's late strike put the seal on the victory.

He said: "Obviously since Nathan's gone it's been a different combination up front.

"Charlie doesn't have the same pace but perhaps he plays a bit more football and it seems to be going well for us. We've had good results.

"Charlie did brilliantly. He got his goal too and from a team's point of view it's perfect if your two centre forwards get on the score-sheet."
