

I'M A GOAL CREATOR

■ Tenth signing comes in front door as Fola exits back

WANDERERS unveiled their tenth signing of the summer in Saturday's 1-0 friendly defeat to QPR at Adams Park.

After weeks of discussions, Blues finally beat a clutch of clubs to the signature of Tom Williams.

The 27-year-old left midfielder has signed on a two-year deal.

He said: "I've been speaking to Paul Lambert all summer and have been very impressed with him.

"He's a progressive manager and doesn't like losing. I'm sure he will be able to take this club and myself on."

After spells at West Ham, Peterborough, Birmingham, QPR, Barnsley and Gillingham, Williams was out of contract at Swansea at the end of last season.

Wanderers were not the only club chasing him and his hour against QPR suggests he will be a key figure this season.

Williams said: "It's difficult knowing you're only going to get an hour, I felt like I was just getting started.

"But it's an hour in the tank and that's what these games are all about.

"I thought I did ok though. I got to the byline six or seven times - my crossing wasn't of a standard but at the moment it's about getting into those positions and come the start of the season I'll be getting

there easier and putting decent crosses in for the front lads.

"That's my game, I'm a chance creator. I can get to the byline or cut inside, but I'm not setting myself any targets.

"There's only the one big target here, and that's promotion.

"There's no point me saying I'm going to create 15 goals this season. It's just about working hard as a squad. I've trained with the lads twice so far and the work ethic here is good."

But while Williams was coming in the front door, another attacking player was being ushered out the back door.

Fola Onibuje's contract was terminated with more than a year to run last Thursday, despite an approach from Shrewsbury early in the week to take him on a three-month loan.

Lambert said: "I sat down with Fola and told him last week why I didn't want him to go to Shrewsbury. It was my decision.

"But he wasn't going to play here so we thought it better he go and gets a game somewhere else. That's the game."

Shrewsbury have been quick to pounce, inviting him on trial this week.
