

WILLIAMSON THE CONQUEROR

Two goals and a broken nose for Blues' match-winning king

BLUES' two-goal hero Mike Williamson suffered a broken nose in Saturday's 2-1 win over Dagenham – but he says he won't let that keep him out of Saturday's trip to league leaders Bury.

The bloodied centre half was one of two players to bust their noses in the weekend thriller, with Leon Johnson suffering the same fate, as ten-man Wycombe held on for an heroic win to move up to second in the table.

But Williamson says that won't keep him out of Saturday's top versus second clash in Greater Manchester.

The former Southampton trainee said: "The nose is feeling a bit sore at the moment but I will be there on Saturday."

Williamson scored two textbook headers as Wanderers maintained their unbeaten start to the season despite having on-loan striker Simon Church sent off after 21 minutes.

He said: "When Simon was sent off it was a big blow to us but we work on these things in

WANDERERS

training, we never have every man behind the ball and we knew we could still win the game.

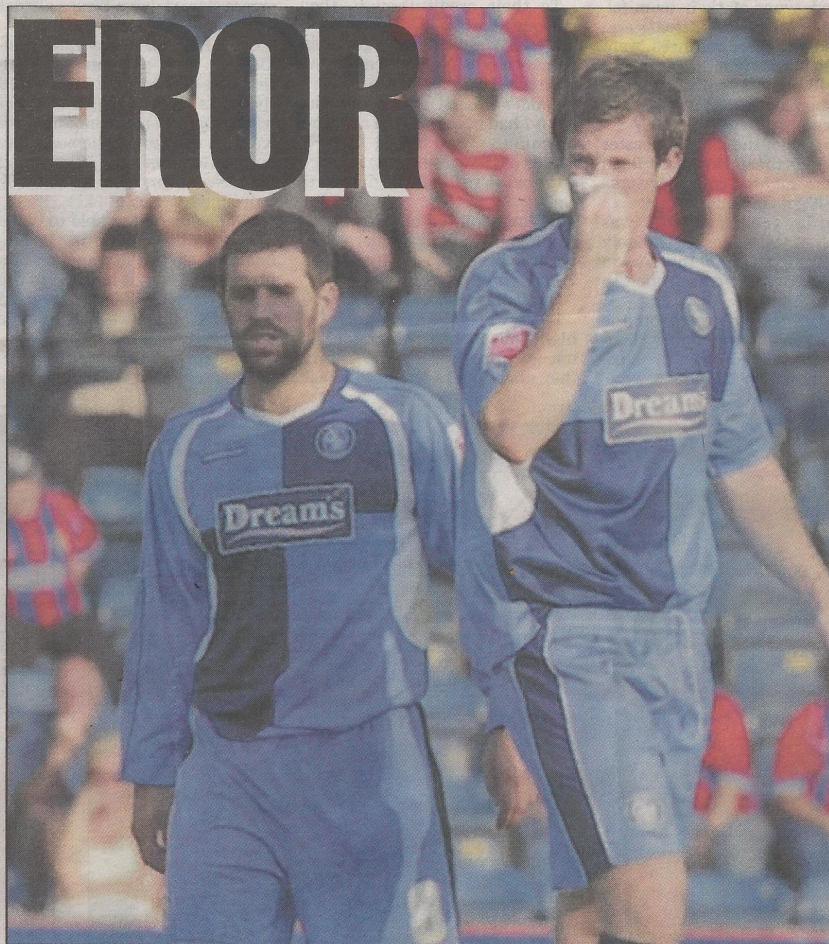

"We work a lot on set pieces in training, luckily the chances fell to me and I was able to take them."

Williamson headed in two Lewwis Spence corners, either side of Ben Strevens' equaliser for Dagenham, to give Wanderers an against-all-odds victory in a match which also saw the Daggers miss a 93rd minute penalty.

He said: "That's got to be up there as one of my best ever games.

"We're on a great run but it is still early days.

"We don't look too much at the league table at the moment. Every game brings its different challenges and Saturday won't be any different. We think we can deal with it and get another three points."
