

WE HAVE LIFT OFF

WANDERERS secured their first win of the season thanks to wonder goals from Matt Phillips and Jon-Paul Pittman.

The pair unleashed a couple of stunners as Wycombe came from behind to down high-flying Bristol Rovers.

Phillips smashed Wanderers back on level terms with a belter from the edge of the box before super-sub Pittman completed the comeback with an 80th minute curler for the winner.

Pittman said: "We are arguing over whose goal was the best. When Matt's went in I thought it was an early contender for Goal of the Season but I would like to think mine was better."

But while the debate rages on between them they were

both agreed that the only thing that mattered was getting the win.

Pittman said: "It was vital for us especially after losing heavily at Norwich last week. But we are up and running now.

"We can build from this win. We have shown today that we deserve to be in this division and that we can compete with the other sides in this league.

"We have shown that we mean business in this division and we think this win will be the first of a few now."

Co-hero Phillips said: "It was a great feeling to score. It's one of the best goals I've ever scored but it was an even better feeling to get the win."
