

BEAVON GRABS CHANCE

STUART Beavon crowned an impressive recall to the Wycombe Wanderers side as the Blues secured their first away point of the season with a 1-1 draw at Hartlepool United on Saturday.

The fit-again former Weymouth marksman showed the way as he fired Wycombe ahead with a goal out of nothing at the start of the second half.

Boss Peter Taylor was so impressed by his all-round performance that he has promised him a start in next week's eagerly-awaited Bucks derby at home to MK Dons.

Taylor said: "Stuart Beavon grabbed his chance. There's no way he won't be starting on Saturday.

"He came in and did exactly what I'm looking for. He got a good goal and did a

lot of good things.

"He's a clever player who works very hard and he's capable of getting even better. He's got a good touch, he's brave, he's good in the air and he can score goals.

"That was his first goal for us but his goalscoring record was very good at Weymouth."

Beavon's maiden Football League strike would have been the winner had Wanderers not fatally dozed off at a 79th minute free kick to hand Hartlepool substitute Adam Boyd an unlikely equaliser.

Beavon said: "It would have been really special if my first goal had been the winner, but I don't think it will be long before we get that first away win."
