

Watch Impractical Jokers being filmed at Adams Park on Tuesday!

Wycombe Wanderers will be the stars of an episode of the hit American TV show Impractical Jokers when the programme is filmed at Adams Park on Tuesday afternoon.

Impractical Jokers has a huge following of fans both stateside and in the UK, and is based around four comedians and lifelong friends who compete to embarrass each other out amongst the general public with a series of hilarious and outrageous dares, each leading to punishments of epic proportions.

The Chairboys squad will on hand to help Sal, Joe, Q and Murr with their latest antics, which will be filmed on the pitch in front of an audience.

The programme teased the news to their fans over the weekend and were swamped with interest, and therefore tickets are being sold for just £5 each via wwfc.com. All tickets are unassigned but visitors will be asked to sit in designated blocks once they enter the stadium.

Doors open at 2pm with food and drink available both inside the stadium and from the Vere Suite and marquee, giving fans the chance to watch the set-up ahead of the 4.30pm filming slot.
