

Kids snack box now available!

On sale for £3.50 in Origin Family Stand and Frank Adams Stand kiosks.

A brand new snack box for children is now available in the kiosks in the Origin Family Stand and Frank Adams Stand on Wanderers matchdays at Adams Park.

Priced at just £3.50, the snack box includes a sausage roll, packet of crisps, bag of raisins and bottle of water, while there's a wordsearch and noughts and crosses activity printed on the box.

This new initiative is the result of feedback from the Fans Council, which meets monthly at Adams Park to discuss operational matters with the club's management, and will be in place from Saturday's game against Portsmouth onwards, available exclusively for children aged 12 and under.

And for this fixture, which is dedicated to supporting the Kick It Out organisation, there'll be a free Kick It Out pen and wristband in each box.

General manager Michael Davies said: "Our new kiosk catering partners ABM Catering have been working extremely hard to provide the best possible service to supporters on matchdays, and have taken on board plenty of constructive feedback via the Fans Council.

"One particular request was to have catering options aimed at children and we're thrilled to be launching the new snack box, on an initial trial basis in the Origin Family Stand and Frank Adams Stand kiosks.

"As always, we ask supporters to bring their feedback forward to the Fans Council and work with us to make matchdays as enjoyable as possible for everyone."
