Palmer, Trevor Stroud and Rob Couhig

Wycombe Wanderers Trust look forward to introducing Rob Couhig and Mark Palmer to its members at a meeting at Adams Park on Thursday 11th July.

As outlined in a press release and members update earlier this week, the Trust are in advanced discussions with Mr Couhig – an American sports team owner – in relation to him becoming a shareholder of Wycombe Wanderers Football Club.

Rob and Mark will join chairman Trevor Stroud in sharing details of the proposed agreement and the plans to drive forward the club's on-field and off-field operations.

The Caledonian Suite will open at 6.30pm, with the bar open and food available to purchase. The event kicks off at 7.30pm, and will include the opportunity for members to ask questions to the panel of Trevor, Rob and Mark.

It is our intention, as before, to have the meeting professionally broadcast live on the **WWT Live Stream** Facebook group for those members who are unable to attend. A further update about this will be circulated closer to the event.

Members will also have the opportunity to send questions for the panel in advance to **secretary@wycombewandererstrust.com**.
