

Chairboys New Kit revealed

New change and goalkeeper stripes unveiled at Dormeo showroom in High Wycombe.

Wanderers are delighted to reveal their new change and goalkeeper strips for the 2019/20 season, which were unveiled at a special event at the High Wycombe showroom of newest sponsors, Dormeo, on Friday afternoon.

Produced by the club's official kit suppliers O'Neills, the lemon change strip and black and purple goalkeeper varieties will go on sale for the first time at the Adams Park shop on Saturday morning (10am to 1pm), and then throughout the week (10am to 5pm, Monday to Friday excluding Wednesday).

The kits will be available to purchase via the O'Neills website from Friday 12th July.

Matt Bloomfield, Scott Kashket, Ryan Allsop and Cameron Yates were on hand to model the kits at the Dormeo showroom on Friday, attended by more than 80 supporters who had the chance to browse Dormeo's range of mattresses and win prizes including the new change shirt signed by the squad and Dormeo pillows.

Dormeo will sponsor the change varieties of the kit - to be worn away from home when the opposition wear colours which clash with the Wanderers' first-choice light and dark blue quarters.

Cherry Red Records remain the front of shirt sponsors for the home kit, with Origin Global sponsoring the rear of home shirt, and BMI Healthcare sponsoring the rear of change shirt.

BMI Healthcare continue to sponsor all shorts, and the two goalkeeper kits come in either short-sleeved or long-sleeved varieties.
