

Hi

The new season is just over a fortnight away... and we're celebrating the return of football to Adams Park by serving up an unmissable deal to help you encourage potential new fans to join us for the visit of Bolton Wanderers on Saturday 3rd August.

It's the first ever meeting between the two sides, and with there being no Premier League action taking place that day, we're eager to attract the best possible crowd on day one, giving fans new and old the opportunity to sample an exciting matchday at our proud home.

So, we're asking you to invite guests along for just £5 each (maximum of four per season ticket holder), and if you take up the offer - even if you bring just one guest - we'd like to say thank you by offering you a free drink on the day of the game. You'll receive details of how to redeem this offer closer to the match.

How do you do it? Simple - please go online to our brand-new ticketing platform at tickets.wwfc.com - or download the TicketCo Wallet app - and input your current eight-digit season ticket number into the 'promo code' option on the first booking screen. This will then allow you to select how many guest tickets you'd like, and where in the stadium you'd like to book them. Once you complete the purchase, the tickets will be sent to you in the form of a QR code by text or email, ready for you to pass on to your guests. [Here's the full guide to buying tickets via TicketCo.](#)

But that's not all. For this matchday only, we're discounting **all home shirts to £25 in adult sizes, and £20 in kids' sizes**, which you can pre-book on the ticket website or app,

and pick up on the day by having the relevant QR code scanned at the collection point on the day of the game.

Now, we do need to let you know that we'll have to re-issue your season ticket, due to the barcode on your previous card not being compatible with our new scanner technology. Your replacement card will be sent to you in the post in the coming days (along with a car park pass if you pre-booked one in the summer).

Thanks for reading, and we hope to see you soon. Finally, don't forget to check out a range of third-party benefits available to all season ticket holders below!
