

Trust call Legacy Members meeting

Meeting to be held at Adams Park on 15th October.

The following communication has been sent to all Trust members this morning.

Wycombe Wanderers Trust are pleased to call a meeting of its Legacy Members, relating to the proposed sale of a majority share in Wycombe Wanderers Football Club to Felician EFL Ltd, owned by Rob Couhig.

The meeting will take place in the Caledonian Suite at Adams Park on Tuesday 15th October, and provides the opportunity for Legacy Members to discuss the proposal in detail, with a voting period commencing that evening and remaining open for two weeks, closing on Tuesday 29th October. Full details about the voting process, which is being managed by Civica Election Services (previously known as Electoral Reform Services) will be explained on the night, and communicated directly to eligible members.

Details of the proposal will be circulated via email to Legacy Members ahead of the meeting, and a hard copy of the offer in full will be available for Legacy Members to read in person at Adams Park from Wednesday 16th October between 10am and 5pm on weekdays, and from 12-2.30pm on the day of the fixture against Sunderland on Saturday 19th October.

Mr Couhig has taken the decision not to attend the meeting in person, in order to enable Legacy Members and the Trust board to have an open and honest discussion about the merits of the proposal and the options facing the club in the event of the proposal not reaching the required threshold of 75% in favour.

Rob will however be available at Adams Park and/or surrounding areas between Thursday 17th and Sunday 20th October to meet Legacy Members who wish to discuss the proposal with him in person; full details on this will be made available nearer the time.

All Legacy Members - which are Trust members who have held a season ticket for four or more consecutive seasons including this one - should have received an email or telephone call to confirm their eligibility to vote. Any member who has not received such contact, or has not responded to the email or telephone call, should email secretary@wycombewandererstrust.com, call the club on 01494 472100, or visit the Trust table in the Caledonian Suite ahead of kick-off at Saturday's League 1 match at Adams Park.

The event on 15th October will be streamed live on Facebook for all Trust members in the [WWT Live Stream](#) group; however, only Legacy Members may attend the event in person.

Doors will open at 6pm, with food available to purchase and the bar open, with the event beginning at 7.30pm.
