Bearing the logo of new club sponsor Dreams across the front, and with Origin Doors & Windows on the reverse, the new shirts can be snapped up for £45 in adult sizes and £36 in child sizes, with all supporters who place orders before 11.59pm on Sunday 16th August guaranteed to be amongst the first to receive the new shirt in September.

Two brand-new goalkeeper strips have also been unveiled; one in a black-to-grey ombre design, and one in Mardi Gras colours of purple, green and yellow.

Wanderers will be retaining its mango change kit for a further season, although the new variety will now carry the logo of Dreams across the front. Cherry Red Records will sponsor the shorts of the home, change and goalkeeper kits.

Ordering your shirts online comes with the option to have the official EFL lettering and numbering printed on the reverse of the shirt; ordering via wwfcshop.co.uk is the only place to have the official EFL style printed on your shirt. You can choose to have the name and number of a current Chairboys star, or a name and number of your own.

All replica kit items are currently in production and scheduled to arrive at the club in mid to late-September, with shipping due to commence as quickly as possible. Supporters will be kept updated with delivery dates once more precise information is known.

Please note that kit suppliers O'Neills have updated their size chart and therefore fans should take note of the new measurements [here](#).

A new third kit, plus the new training and leisure wear, will be launched later this month. No kit items will be available to buy from the shop at Adams Park until further notice.
