Blues team up with their leading goalscorer in their EFL era.

Available in either over-head or zip-up style, these quality hoodies are made from 80% organic cotton and 20% recycled polyester, ensuring a luxuriously thick and soft feel-finish inside and out for ultimate comfort.

Buy yours from wwfcshop.co.uk in **adult** or **kids** sizes!

Also head to the **Accessories** page of the shop website to browse a wide range of new items now ready to be bought!

These Beast Mode items are **Pre-order item only** so are not available for next day delivery. Pre-order closes on Monday 30th November, with orders being dispatched on or before Monday 14th of December.
